

IMPROVE HEALTH & PRODUCTIVITY IN YOUR ORGANISATION

with *Karratha* LEISUREPLEX

Investing in employee health and wellbeing is good for business. A simple equation: healthy workers = healthy business performance. There is evidence that investing in employee health and wellbeing initiatives results in:

To begin taking advantage of the Leisureplex facilities and services, all your workplace needs to do is collect a group of 10 staff and have them sign up to any of the upfront Leisureplex memberships. Whether your organisation pays or everyone pays their own memberships, as long as a group of 10 people/employees are members of our facility, we will offer all of your employees the following benefits:

COMPLIMENTARY FITNESS APPRAISAL & PROGRAM
