BEHAVIOUR POLICY

The Karratha Leisureplex is dedicated to providing a safe, friendly and fun environment for children.

Our goal is to provide activities suitable for school aged children of all backgrounds and abilities, whilst providing:

- A safe and engaging environment.
- A variety of fun and exciting activities
- Effective supervision for the duration of the activities
- Enforcing a behavior management system based on positive reinforcement, ample warnings for negative behavior and acknowledgement of achievement.

We use a positive reinforcement system for behaviour management including verbal praise, sharing achievements, stickers and prizes for good behaviour. In instances where positive reinforcement does not work effectively, we will implement a warning system of dealing with inappropriate behaviour. Inappropriate behaviour may include breaking a program rule, jeopardizing the safety of children or staff and disrespectful conduct toward children or staff. The children will be informed about the rules of the program and consequences for inappropriate behaviour. We feel that this system is easy to understand, fair to all, and appropriate for children in the program:

The *THREE STRIKE WARNING SYSTEM* is acknowledged and enforced by the Leisureplex staff across all child oriented activities.

1. **First Warning:** The child is verbally made aware of their inappropriate behaviour and why it is not appropriate.
2. **Second Warning:** The child is verbally informed about their continuing behaviour and removed from the group.
3. **Third Warning:** If the child continues to demonstrate inappropriate behaviour, the holiday staff will contact their parent/carer for immediate collection of the child.

Strikes:

A third warning represents one (1) strike. Additional strikes will be recorded for the duration of the school holiday activities. Three strikes on separate days will result in expulsion for remaining school holiday activities. If a strike is given to a child, this will be immediately communicated to the parent or carer. As expulsion is the last resort, program staff will meet with the parent or carer of a child who has received one or more strikes to discuss a resolution. Should an expulsion occur however, there will be NO REIMBURSEMENT and careful consideration will be taken when accepting the child in the future activities and term programs.
